ABOUT US

"We look after customers and have their best interests at heart..."

AV Direct is an Irish-owned company, based in Dundalk and operating independently within Ireland. We supply a large range of wholesale goods to the catering and hospitality industry, schools, healthcare facilities, hotels, restaurants and public amenities in Ireland.

"We don't just look at the bottom line; we look at benefits to the customer"

Our ethos is "to go the extra mile" for our clients and we pride ourselves on our service - before, during and after sales! We are 30 years in business, we've built up a wealth of knowledge and expertise that we are happy to share with our clients. The fact that many of our clients have been with us from the start is testament to our belief in building relationships and providing excellence in products and service.

In addition to our website, we have lots of product catalogues available and a well-stocked [showroom in Dundalk](#), only an hour's drive from both Dublin and Belfast. Visit our showroom to view our products up close and personal, see live demonstrations and of course meet our staff, who'll be happy to help you.
